## GroupJive

Posted by terrybritton - 2007/08/02 02:24

---

Would love to see a patch for GroupJive ([www.groupjive.org](http://www.groupjive.org)). A lot of people use this along with community builder. At the moment there is not a stable release, but wanted to at least get it on the wishlist.

GroupJive component is at BETA today. :)

FYI

Stable release anticipated by end of September. :cheer:
