
download file: com_patch_jacplus_1.0.x_to_1.0.10.

Posted by d.manieri - 2008/06/11 17:45

I, I'm sorry but i can't found the file com_patch_jacplus_1.0.x_to_1.0.10.zip for upgrading my jacplus 1.0.8a.
someone have a correct http adres for me?
Thanks a lot.
Bye.

Just for information,
I think that I risolved it whith the patch component for upgrade joomla! to 1.0.10 and jacplus too.
I had installed joomla! 1.0.11 so i hadn't done an upgrade, but i did a regrade.
There weren't problem for it.
Sorry for my English.
Bye
